These notes were taken by an Okanogan County Watch volunteer. Every attempt is made to be accurate. Notes are verbatim when possible, and otherwise summarized or paraphrased. Note takers comments or clarifications are in italics. These notes are published at <https://www.countywatch.org/> and are not the official county record of the meeting. For officially approved minutes, which are normally published at a later time, see https://okanogancounty.org/offices/commissioners/commissioners_proceedings.php

The time stamps refer to the times on the AV Capture archive of the meeting on this date at https://www.okanogancounty.org/departments/boards/live_streaming_of_meetings.php. To locate items in real time, the clock on the wall in the AV Capture screen can be helpful.

Summary of significant discussions:

- Commissioner Hover tries to attend the meeting via Zoom, but the sound is not adjusted correctly. He can barely hear and barely be heard.
- Lanie Johns and someone from Central Services try for about 25 minutes to fix the audio problems, and then the sound goes off altogether.
- Pete Palmer, Director of Planning updates the commissioners, but cannot be heard by anyone not in the room. She is still talking when the AV Capture video ends at 9:37.

-36:49—Pledge of Allegiance

LJ tries to adjust the volume so that AH can be heard over zoom.

-17:43—JN—Ms. Jackson, if you've got a public comment, you can type it in, or wait around.

-10:58—AV Capture loses sound altogether.

-1:40—Pete Palmer comes in and talks to JN and CB, but there is still no sound. She is still talking with the commissioners when the AV Capture ends.
